

## Automatic Duplicate File Remover v.6.41 Released

Monday, 15 January 2007

Was released Automatic Duplicate File Remover v.6.41

Differences, related to previous versions:

- Support of most widely spreaded archive formats. Now Automatic Duplicate File Remover will be able to process archives content or, according to user settings, sort archives using their internal content and properties.
- Appended functionality to the panel with realtime information.
- Appended playlists to Image and Media previewers.
- Increased speed of file processing engine.

Last product version may be purchased in our online store. All registered Automatic Duplicate File Remover users can get it for free.
